

PRODIGY MONTESSORI INDIA

"FREE THE CHILD'S POTENTIAL AND YOU WILL
TRANSFORM HIM INTO THE WORLD"

-Dr. Maria Montessori

ABOUT THE SCHOOL

Practicing the Montessori Method

PMI is dedicated to following the Montessori method, a unique educational philosophy developed by Dr. Maria Montessori over 100 years ago.

Programs are child-led and selfpaced while guided and enriched by knowledgeable educators to help students become independent, lifelong learners who are academically grounded and socially confident about their place in the world.

PRODIGY MONTESSORI INDIA

Designed for Your Child and You!

We believe that children are like sponges - they're constantly absorbing and learning. It's important to us that we create a holistic environment for your child in school and with our expertise, be your support at home.

ABOUT THE SCHOOL

PRODIGY MONTESSORI INDIA

Our Goal

It is our goal to build an environment that will help every student explore, communicate, work and perfect skills to their highest potential. We want each student to grow in self-esteem, be well-grounded in academics and joyful about learning.
